

APB479 : Project and Portfolio VII: Audio Production

The Project and Portfolio VII: Audio Production course combines hands-on learning experiences with summative and formative portfolio assessments. In this course, students will develop a professional-quality portfolio piece while working against a deadline. Students will apply knowledge acquired in their degree to improve their artistic sensibilities, workflow, technical knowledge, and personal time management. Students will work through a critique and review process with the faculty to develop high-quality content. Their experiences in this course will help prepare them for the methods, demands, and conditions they will encounter in a professional production workflow.
