MBG680 : Mobile Gaming Thesis: Technical Writing and Professional Presentation

In the Mobile Gaming Thesis: Technical Writing and Professional Presentation Course, students will complete their mobile game projects by developing the element of formal presentation. Students will expand upon the creative and technical assets they created in previous courses as they write and present the specifications of their mobile game. In doing so, students will develop their game-writing skills and clearly demonstrate their technical proficiency through written and oral communication. Students will also learn how to present to various professional audiences of the mobile gaming industry through multiple modalities.
