

FPR620 : Film Production Thesis II: Production

The Film Production Thesis II: Production Course allows students to further develop their final film project. This course represents the production phase of the student's film project. In this course, students will apply the skills and knowledge gained from previous courses to the production of their own film. They will also practice techniques of directing and cinematography as they create their film through project-based learning.

Leadership skills will be developed as students manage and work collaboratively with members of their production team. Topics include mise-en-scène, continuity, lighting, uses of lenses, and camera operation.
