

ITE1111 : Professional Development Seminar I: Information Technology

In Professional Development Seminar I: Information Technology, students will build upon the Technology in the Entertainment and Media Industries course to gain an understanding of career opportunities, technical specializations, and current issues in the information technology industry. Students will research trends within the industry and investigate professional certifications. In addition to exploring the industry, students will learn strategies for connecting with a professional mentor. Guest lectures and industry continuing-education resources will provide students with insight into real-world professional experiences.
