## Overview

As new distribution channels for media emerge in the entertainment industry, there is an increasing demand for creative writers who can extend a compelling story across multiple platforms. The Creative Writing for Entertainment curriculum provides you with the opportunity to not only perfect your story-writing abilities but also allows you to understand and implement the transmedia approach that is necessary in today's entertainment industry. Whether the final delivery channel is a movie theater, television screen, computer monitor, game console, website, or mobile device, you will learn to develop compelling and well-crafted stories that will captivate consumers on multiple platforms. A growing collection of digital tools is available to today's writers, and the Creative Writing for Entertainment curriculum teaches the most effective way to utilize those tools. You will explore multiple literary genres along with techniques for writing for different audiences and mediums. In addition, you will develop leadership, project-management, and research skills, sharpen your technical prowess, conduct and utilize industry research, and learn how to revise your own work and collaborate with others to enhance your creative works.

## Objective

**Bachelor's Objective** The objective of the Creative Writing for Entertainment Bachelor of Fine Arts degree program is to provide you with a focused knowledge and clear understanding of visual storytelling, narrative structures, literary genres, multimedia terms and delivery methods, character creation and development, screenwriting and storyboarding, script analysis, criticism, and editing for a variety of niches and distribution methods in the entertainment and media industries. This program is designed to equip you with editorial skills, enhance your ability to create compelling stories and writing elements, and enable you to pursue careers in creative writing. The Creative Writing for Entertainment Bachelor of Fine Arts degree program will also further strengthen the leadership, project-management, and research skills necessary for the development and execution of creative writing projects. Completion of the program will enable you to take full advantage of today's high demand for creative writers and prepare you for entry-level positions as writers in the entertainment and media industries.
