

# DGC3111 : Professional Development Seminar I: Digital Cinematography

In Professional Development Seminar I: Digital Cinematography, students will build upon knowledge gained from earlier courses to achieve an understanding of career opportunities, topics of study, and current issues in the film and video industry. In addition to exploring the industry, students will learn strategies for connecting with a professional mentor. Guest speakers will provide students with insight into real-world professional experiences.

**Credits** 1

**Course Length** 4 weeks
