

Communications Bachelor of Science Completion Program with a Concentration in Creative Writing

Degree Type

Bachelor of Science

Environment

campus

Program Length

36 weeks

Overview

The Communications Bachelor of Science program is designed to develop the knowledge and skills of communications professionals in the entertainment and media industries. The program focuses on transmedia writing, creative development, and storytelling and provides students with a strong foundation of academic and hands-on coursework. After you complete the core Communications curriculum, you will have the opportunity to choose a concentration in Media Communications or Creative Writing. The Communications curriculum offers threaded project and portfolio courses that provide you with a relevant and comprehensive project-based learning experience throughout your academic journey. Additionally, a Career Readiness course taken at the end of the program will provide you with an opportunity to prepare for your future career.

Objective

Bachelor's Objective Our goal is to provide you with a focused knowledge and understanding of essential writing and communication skills to enhance your ability to qualify for entry-level industry positions, including new media strategist, social media manager, copywriter, editor, communications specialist, scriptwriter, comic writer, and a variety of other careers in the communications field. In addition to academic mastery, technical proficiency, and creative development, it is our goal to help you develop critical-thinking, problem-solving, and analytical skills that contribute to lifelong learning, providing you with tools to help sustain a long and productive professional career in the entertainment and media industries.

Students enrolling in this completion program will also complete the [Creative Writing Associate of Applied Science](#) degree program. [Apply today](#) to get started.
