## Overview

The Business Bachelor of Science program is designed to develop the knowledge and skills of business professionals in the entertainment and media industries. The program focuses on business management, marketing, and public relations and provides students with a strong foundation of academic and hands-on coursework. After you complete the core Business curriculum, you will have the opportunity to choose a concentration in Entertainment Business, Music Business, Sports Marketing and Media, or Digital Marketing. The Business curriculum offers threaded project and portfolio courses that provide you with a relevant and comprehensive project-based learning experience throughout your academic journey. Additionally, a Career Readiness course taken at the end of the program will provide you with an opportunity to prepare for your future career.

## Objective

**Bachelor's Objective** Our goal is to provide you with a focused knowledge and understanding of essential business and management skills to enhance your ability to qualify for entry-level industry positions, including marketing analyst, brand ambassador, promotions manager, public relations assistant, digital marketing strategist, and a variety of other business positions in the fields of film, music, digital media, sports, broadcasting, and gaming. In addition to academic mastery, technical proficiency, and creative development, it is our goal to help you develop critical-thinking, problem-solving, and analytical skills that contribute to lifelong learning, providing you with tools to help sustain a long and productive professional career in the entertainment and media industries.

Students enrolling in this completion program will also complete the [Entertainment Business Associate of Applied Science](#) degree program. [Apply today](#) to get started.
