

3DA229 : Project and Portfolio II: 3-D Arts

The Project and Portfolio II: 3-D Arts course combines hands-on learning experiences with summative and formative portfolio assessments. In this course, students will use the principles of animation to create animated sequences based on reference material they have compiled. Using reflection and independent study to reinforce discipline topics, students will work through practical exercises and refine their work for presentation in a student portfolio. This course prepares students to work with production deadlines and constraints.
