

BIN680 : Business Intelligence Capstone

The Business Intelligence Capstone Course will provide students with an opportunity to demonstrate mastery of program curriculum as they deliver their data warehouse and present key findings to colleagues and project stakeholders. Students will present a final thesis document that summarizes the project, methodologies, key results, and recommendations. In addition to presenting a functional data warehouse and executive dashboard, students will deliver a presentation that summarizes their project, results, and recommendations through the effective use appropriate data visualization and infographics. The final presentation will emphasize professional communication and critical thinking skills as much as technical competence.
