

FAV229 : Project and Portfolio II: Film and Video

The Project and Portfolio II: Film and Video course combines hands-on learning experiences with summative and formative portfolio assessments. In this course, students will write a short script based on their previous story idea and generate storyboards and a preproduction plan to support it. Students will also be given footage that they will use to demonstrate basic editing skills, including shot selection and placement, timing and pacing, audio mixing, and graphics application. Students will expand their understanding of storytelling by employing editing, sound design, and graphics to help tell a story.
