

# FIL155 : Project I: Film and Video

In Project I: Film and Video, students will combine the fundamentals of digital video and film production for a variety of media platforms in a hands-on learning environment. In this course, students will apply their knowledge of story development and script writing to outline, write, and storyboard a media project. Activities will require students to incorporate the technical basics of video production into their creative process, helping to demonstrate how video, audio, and editing principles support the telling of a story.
