

NMJ540 : Research and Investigation Skills Development

The Research and Investigative Skills Development Course examines the massive shifts in the media environment and challenges students to re-imagine how they can uncover, research, and produce investigative stories in that environment. Students will study the fundamentals of research, examine the relationship between research and theory, and explore research ethics. The course also helps students experience the process of online research and how to build credible sourcing to substantiate their work. The course addresses topics that require students to contemplate the validity of conclusions formed from online research and to consider alternative strategic approaches for comprehensive completed projects.
